myFlexPay™

You rely on your workforce and they rely on their pay. Give them the flexibility to access their earnings between pay periods with myFlexPay by OneSource Virtual.

Partnering with Wagestream, a certified B Corporation dedicated to enhancing the lives of workers, we've developed a solution that empowers your employees to take control of their finances and eliminates frustrations that can impact their productivity. Make payday more manageable for your employees and enjoy significant benefits, including:

"The roll-out was straightforward and there's no impact on our payroll function. Staff get access to their earned pay at any time, which reduces their financial stress, improves their wellbeing and allows them to bring more of themselves to work."

**Heidi Heniff, Associate Director of Benefits,
Crate&Barrel**
